Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Providing professional development in the explicit teaching of writing;
- Maintaining small group intervention in reading and writing; and
- Developing staff capacity by providing opportunities for coaching and mentoring.
