

ROLLINGSTONE STATE SCHOOL

ABN: 18 997 711 256

Principal – Kacey Constantine

Principals report: 18/05/17

Facilities/ WHS:

Toilets:

The new toilets install has started. The toilet block has been constructed, it is anticipated to be installed in the next couple of weeks. Students are aware of works occurring and the site is fenced off to ensure the safety of all staff and students. There will still be a delivery of top soil to smooth out some bumps in our oval. This will be done when there are no students present. Once the new toilets are in, then the old ones will be closed off to be refurbished.

Curriculum:

NAPLAN kids did a fantastic job, thank you so much to the volunteers that came in to cook the NAPLAN breakfast.

Parent and Carer support: Mrs Wheatley (GO) and I, in conjunction with ME TOO (a support service for children , young people and families), would like to offer some support for families, parents and grandparents through an information session about supporting and developing strategies to work with young people. During the session, ME TOO will provide information about services and support available to families as well as strategies to support children. The session will be on the 19/6 from 9.00-10.30. Tea and coffee will be provided. We are particularly wanting to offer support to the grandparents in our community who are looking after their grandchildren.

T&L Handbook: I have been working to put together a Teaching and Learning handbook for Rolly. This document aligns the 'Rolly' way of doing things. The handbook is in draft form and out with the teachers for editing before publication.

Budget:

Attached is the front page of the budget report and the Balance Sheet summary. If you would like to go through the budget allocations more thoroughly, feel free to make a time to see me and I will go through it more thoroughly with you.

Staffing:

It is with mixed emotion that I inform you all that I have been offered a position as principal at Magnetic Island State School, which I have accepted. The job starts next term. It has been a very difficult decision to leave; I have absolutely loved working with the staff and students here at Rolly, as well as being part of this wonderful community. The principal position for Rollingstone has already been advertised, and will be filled before the end of this term.

Jeanette Pratt will be retiring at the end of this term, after 31 years of service to our school. Her last day will Monday, July 10.
